INSTITUTE OF LAND AND DISASTER MANAGEMENT

The Institute of Land and Disaster Management is an autonomous body constituted under the Revenue Department, Govt. of Kerala. It was established in 1996 as an autonomous body registered under the Travancore - Cochin Literary, Scientific, and Charitable Societies Registration Act, 1955 (Act XII of 1955). The Disaster Management Wing of the ILDM was formed in 1999 as recommended by the National Institute of Disaster Management (NIDM) to train various stakeholders in disaster management. MBA Disaster Management, MBA Land Governance, MBA Water and River Management courses are being initiated as part of making the Institute of Land and Disaster Management a "Center of Excellence" in the said disciplines.

VISION

Empowering the youth for nation building by creating a resource pool of experts.

MISSION

Our MBA programme aims to empower future leaders through a transformative learning experience that integrates theory and practice. We develop individuals to effectively articulate their positions, apply leadership theories to real-world challenges, and foster the professional development of the next generation leaders

ELIGIBILITY FOR ADMISSION

- Apart from the eligibility criteria prescribed as per AICTE APH 2024-2025, the candidate should be graduated from any Indian University, under the regular stream, recognized by the University of Kerala and shall be in the 10+2+3 pattern (or in 10+2+4 pattern). In all cases the student should have passed the degree examination with not less than 50% marks/equivalent grade (no rounding off allowed) in Part III / core plus complimentary in BA, B.Sc., BBA etc., or 50% marks/equivalent grade (no rounding off allowed) in aggregate in case of B.E/ B.Tech/ BBA B.Sc. (Agri.) and other 4/5 year degree courses. The candidates, who have passed MA/M.Sc. or any other PG Degree reconized by the University of Kerala with 50% of marks / equivalent grade in aggregate, are also

eligible for admission. SC/ST, SEBC and differently abled candidates shall be given relaxation as per University rules.

- The candidates should possess a valid score from any one of the entrance examinations conducted by K-MAT, C-MAT or CAT . The scores obtained during the previous and current academic year (2024) alone are considered.
- Based on the entrance exam conducted by the institute ten percent (10%) of seats will be reserved for the Government sponsored officials from the State and Central Government. The candidate under this category are exempted from Entrance test but they have to appear for Group Discussion and Interview.
- The provisional rank list for admission to the MBA programme will be prepared based on the score obtained by the candidate in the Entrance Test (80% weightage), Group Discussion (10% weightage) and Interview (10% weightage).
- Candidates who have passed their Degree or Master's Degree from other Universities should produce the Eligibility Certificate issued by the University of Kerala (Course Equivalency Certificate) at the time of admission. Only those candidates who produce eligibility certificate and mark lists of Degree or Master's Degree from other universities at the time of counseling, will be considered for admission.
- Reservation of seats is as per the Government of Kerala and University of Kerala norms from time to time.

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs)

Upon completing the degree, the student will be able to:

- To inculcate the spirit of teamwork, integrity, and professional values so that the student will be able to perform effectively in an organizational setup or on their own entrepreneurial ventures.
- This programme will equip the candidate to be socially responsible and value-driven citizens committed to sustainable development.
- Learn to adapt to a rapidly changing environment with learned and applied new skills.
- Involvement in lifelong learning to adapt educational needs in a changing world to maintain competency and to contribute to the advancement of knowledge in a multi-disciplinary environment.
- Analyse social and environmental aspects with professional values, ethics, and equity to transform the learned and acquired knowledge, skills, and expertise to the community
- Apply knowledge and skills for the professional development to cater global resource demand
- Create a mental platform for an interdisciplinary approach to redress societal problems
- Develop a resource pool of professionals to meet diverse employer demand

SCOPE OF THE PROGRAMME

Quality education to young professionals to take up present and future challenges

Augmenting the process of achieving Centre of Excellence status for the institution

Creating technically sound resource pool for nation building.
